

SAP® Qualified
Partner-Packaged Solution

SAP S/4HANA for CPG Foods Manufacturing

Rapid Deployment based on NEXUS Methodology (NEXPress 99)
Leveraging on Industry Best Practices and Local Country Requirements

Consumers today are savvy, fickle, and demanding. How do consumer products (CP) companies grow profitably in these challenging times? By aligning every aspect of their operations to the end customer - the consumer. With NEXtier CPG Manufacturing for Foods.

It allows you to predict your consumers' needs to provide perfectly tailored product suggestions – live and on demand – and meet market expectations using accurate, real-time insights. By engaging in digital transformation, you can pursue ambitious growth strategies to accelerate sales and win new customers.

Nexus System Resources (Thailand), a leading business solutions consulting company in SEA. Specialized in developing a complete, comprehensive and SAP-qualified partner-packaged solution for SAP S/4HANA.
